

Burnet Intermediate Sanction Facility Prison Rape Elimination Act (PREA) Annual Report — Calendar Year 2021

The Federal Prison Rape Elimination Act (PREA) of 2003 was established to address the sexual abuse and sexual harassment of offenders in confinement settings. On August 20, 2012, the PREA Standards Final Rule, to help prevent, detect, and respond to sexual violence, staff sexual misconduct, and sexual harassment behind bars was released prompting the revision of the Texas Department of Corrections and Rehabilitation (ISF) PREA Policy.

ISF's PREA policy establishes zero tolerance for sexual abuse, staff sexual misconduct and sexual harassment and provides guidelines for the prevention, detection, response, investigation, and tracking of allegations against ISF offenders. A further purpose of this policy is to provide guidelines for the successful community re-entry of offenders.

ISF continues to remain diligent in investigating all allegations of sexual abuse, staff sexual misconduct, and sexual harassment against offenders. Staff and offenders are educated on the departments zero tolerance policy and provided information on the multiple ways to report an allegation, to include third-party reporting.

Staff is inclusive of employees, volunteers, and independent contractors assigned to an institution, community correctional facility, or headquarters. ISF's zero tolerance policy holds all staff accountable when it is proven that they have violated the policy. Please remember, the legal concept of "consent" does not exist between staff and offenders; any sexual behavior between them constitutes sexual misconduct and subjects the staff member to disciplinary action and/or to prosecution under the law.
